Four worlds. One pharmacist.

Community

Dispense, counsel, label

Clinical

Ward orders, interactions

Industry

Batch to QA release

Warehousing

FEFO, cold chain

An examiner that asks why

Three questions after every case, marked on four axes.

A patient who answers back

Type across the counter. Marked against WWHAM.

It finds your weak spot

Seven skills, every drug class, then sends you cases.

881

real medicines, with brands and manufacturers

6

ranks, from Intern to Expert Pharmacist

CPD

one hour per ten cases, certificate included

Teaching with it?

Classes, assignments, timed assessments, per-student analytics.
